Sharon Paradis:

I have gathered from the Benton County web site at:
http://www.co.benton.wa.us/public_records_officers.htm that you are a Public Records Officers
for Benton-Franklin Counties Juvenile Justice.

I am currently involved in a court proceeding with the Federal Communications Commission in
which I have been required to "identify" all documents that relate to any felony and misdemeanor
in which I have been convicted or adjudicated.

In or around May of 1986 & 1990 I have two juvenile adjudications for Indecent Liberties in
Benton & Franklin County, Washington. Would you been able to provide me a list that "identifies"
all documents related to those two felony adjudications? If not how would I obtain such a list?

I am not being required to produce the actual documents at this time, but only to "identify" any
documents in which I have knowledge of. I don't have specific knowledge of specific documents,
but I know that documents do exist.

Documents must be identified by: author, subject matter, date, addressee and persons copied.
The location of each document also must be ascertained (name of custodian, address, phone
number and e-mail address.)

I have CCed my attorney in this e-mail request. Can all responses include myself and my attorney
at the two following e-mail addresses: kb7ild@arri.net & brownsd@aol.com

Thank you very much for your assistance in this matter.

ATTACHMENT C

Dear Sir or Madam:

I am currently involved in a court proceeding with the Federal Communications Commission in which I am required to produce facts in regards to my educational background.

In or around 1993/1994 I took some classes in the SOTP Program at Twin Rivers Correctional Center (TRCC). I had the understanding at the time of taking those classes that some count towards college level credit through Edmonds Community College (EDCC).

Can you please provide the following information about my college-level course participation at TRCC through EDCC ?

- 1) the months and years of attendance
- 2) the names of courses taken
- 3) the names of teachers

I have CCed my attorney in this e-mail request. Can all responses include myself and my attorney at the two following e-mail addresses: kb7ild@arrl.net & brownsd@aol.com

Thank you very much for your assistance in this matter.
